The Forrester Park Wedding 2020

Forrester Park Resort is one of the most unique venues in Scotland for holding your special day, combining absolute opulence in truly palatial surroundings with accommodation and service second to none.

The resort is recognised as a wonderful venue for weddings with fresh ideas to make your special day a magnificent experience, from the minute you arrive to your overnight stay in one of our magnificent individual bedrooms.

Our Acanthus room is our special events area of true Palladian style and 18th Century splendour, which can accommodate anything from small intimate parties to gatherings of 300 guests.

The resort is set in 350 acres of what we believe to be some of East Central Scotland's most beautiful parkland, a truly magnificent backdrop for your special day. With views stretching out over the Firth of Forth to Edinburgh, the Lothian's and beyond – we invite you into a different world.

In our wedding brochure, we have tried to encapsulate everything for your special day, from our selection of menus right through to the protocol and order of your special day.

We at Forrester Park pride ourselves on attention to detail, advising you on the structure of your day, from your initial drinks on arrival, up until your honeymoon departure at the end of your spectacular day. Everything is purely tailor made to suit each and every couples wishes and dreams for their special day, from the set up of your room, tables, colours, napkin folds etc to even a themed wedding which has happened on many occasions.

Holding your marriage ceremony at Forrester Park

We at Forrester Park have created the perfect place for you to get married. Your service would be held in the Grand Hall a true Robert Adam styled room with a magnificent marbled fireplace which has a capacity for 110 guests. This room would set the ambience for your wedding ceremony and create a magical focal point for your wedding photographs. This room is available at £310.00 for your wedding ceremony.

You can also get married outside over-looking the park land of the estate and golf course. Although weather dependent, this is truly one of the most amazing and memorable ways in which to hold your ceremony, the set up cost for this is £310.00.

The selection of menus

There is an extensive range of dishes available to create your menu and our Head Chef Alistair Clark will be happy to prepare a unique menu for your special day. The food of Forrester Park is grown here on the Resort Estate farms, even the beef is specially hand reared here for the restaurants and your special day. We endeavour at Forrester Park to assist you in creating a banquet of the finest catering tailored to your tastes, a similar experience to dining in our Acanthus and Harlequin restaurants.

We do encourage you to meet with Chef Alistair to let us know the ideas you have for your menu, and once you have given us your ideas, we invite you in for a menu tasting, this is usually finalised approximately one or two months prior to your wedding taking place. When having your wedding here at Forrester Park, you do have the exclusivity of the room for the day, thus we are uniquely able to offer you not only just set menus, but menus with choices as well, simply because Alistair and his team are solely dedicated to preparing and serving the food exclusively for you and your guests with no other functions or restaurants to worry about on the day, thus ensuring that all your guests are looked after no matter what their requirements.

The Selection of Wines

We pride ourselves on the range and quality of our wines and Champagnes with over 40 bins to choose from. A complete wine list is available for you, which has a helpful guide to strengths and variations of sweetness provided from our international wine supplier. If we don't have a wine on our list you would like, we will happily track it down for you and make sure you have it on your wedding day.

Golf

Forrester Park Resort also offers Fife's newest 18-hole championship golf courses, which is situated in the 350 acres of parkland surrounding this unique venue. Our course is not only challenging, but rewarding with the breathtaking views over the forth valley. As part of our wedding package we would like to offer you four complimentary weekend golf membership passes, what better way to start your wedding day!

The golf course is used as a fantastic back drop for your wedding day as we usher you out onto the course in private golf buggies to have your photographs taken at our various lochs, bridges and waterfalls.

The running of your day

Your day is completely coordinated and run by ourselves, from greeting you and your guests on arrival, to co-ordinating with your photographer, florist, band etc. and with your very own master of ceremony announcing dinner, speeches and any other requests you may have ensured certainly that you are in the best of hands and your day will be better than you imagined.

Evening Celebrations

The evening celebrations usually begin around 7.30pm; any evening guests should arrive at this time although often they do not arrive till around 8pm. So we usually aim to start with the Bride and Groom taking to the floor for the first dance around 8.15pm

Evening Buffet

Evening buffets are normally served between 9.30 and 10pm in the great hall, it is when the evening's entertainment have a mid time break, if you were having fireworks, they would be set off at this time with your guests viewing them from the main terrace. On return back into the building the buffet is served. Buffets do vary so much with everything from Bacon and Egg baguettes to the largest of feasts; again, you would convey your ideas to chef in your initial meeting to discuss your food requirements for your day. Your wedding cake would also be served at this time.

Drinks Packages

Normally a drink of Prosecco or champagne is served to your guests on arrival from the ceremony. We are pleased to offer your guests with our compliments a glass of orange juice or sparkling mineral water as well. Wine is served throughout the meal, a good guide to go on is two glasses of wine per person, and again this is served alongside either Prosecco or Champagne for the traditional toasts.

A full tailor made drinks package for your day can be made, we have just over 40 bins on our wine list, if you let us know what you require we will be happy to arrange this for you.
